Event Description:

It's time for another fast-paced adventure!

It's time to grab your Super-Cubs and get ready for a Cub Scout Hero event like no other in the Wotamalo District! On October 3rd, hundreds of area Cub Scouts and their adults will gather at Mineral Springs Park in Pekin to blast into Cub Scouting with a huge variety of activities, typically including:

- Archery
- Games and crafts
- Water Ball slingshots
- Paddle Boats
- Soda Pop Bottle Rockets
- Space Cart Derby – an exciting event that allows Scouts to sit in the driver's seat and race space carts powered by other Cub Scouts!
- Totally separate program for the Webelos w/ - BB's

Cub Scout Launch is a great way to introduce new boys to Cub Scouts and kick off the year with a fantastic outdoor activity. Come out and join us!

Tiger Partners and Walkers:

Tiger Cubs (new 1st graders) MUST come with their Adult Partner. Wolves & Bears MUST come with at least one adult for every five boys, & Webelos MUST come with at least one adult for every five boys - the more adults the better!

Important Note

In general, adult supervision is STRONGLY encouraged in Scouting. Cub Scouting is a fantastic way for parents to spend quality time with their boys. The goal of this event is to provide a fun and memorable experience for new and existing Cub Scouts, and this experience will be enhanced greatly by the participation and assistance of adults.

*Reminder: Tiger Adult Partner must accompany each Tiger Cub
