Giving Tree Recycling

Every year our Pack purchases Christmas gifts for boys in need via area Giving Trees. We use the money received from recycling aluminum cans to support this. Through this program, our scouts learn the importance of giving back to their community! One boy from each age group (scout rank; Tiger, Wolf, Bear and Webelo) will be

chosen to receive Christmas presents from our boys! **♥ Please bring your aluminum cans to the December Pack Meeting. ♥**

A truck will be available in the small parking lot during the November pack meeting to deposit all cans. Please do not bring your recyclables into the school.
